**REPLY COMMENTS OF  
CAPITOL BROADCASTING COMPANY, INC.**

Capitol Broadcasting Company, Inc. (“CBC”) hereby submits reply comments in the above-captioned proceeding. CBC files these comments in its capacity as the licensee of WRAL-TV, WRAL-DT, WRAZ-TV, and WRAZ-DT, Raleigh, North Carolina; WJZY-TV and WJZY-DT, Belmont, North Carolina;<sup>1</sup> WWWB-TV and WWWB-DT, Rock Hill, South Carolina;<sup>2</sup> and WILM-LP, Wilmington, North Carolina.

CBC concurs with the Pappas Telecasting Companies’ comments regarding an affiliate’s need to preview network programming before it airs on the local affiliate. As noted numerous times previously, including in comments filed on November 1, 2004 *In the Matter of Localism Notice of Inquiry*, MB Docket No. 04-233 (July 2004), CBC believes that we are ignoring our obligation to the community if we do not preview network programming before it airs. This problem could be *(and probably should be)* addressed contractually between an affiliate and its network. If not, the Commission should adopt rules supporting an affiliate’s right to preview.
